PART 1: WHO WE ARE

Our culture, our purpose, our values, and how we work together. 🔥

📖 THIS HANDBOOK

If you're looking for a traditional employee handbook full of rules, this isn't quite that. Rules tell you where the bottom is. They tell you how poorly you can perform before you get shown the door. That's not us.

We'd rather hold incredibly high standards and hire exceptional people (that's you) who enjoy pushing themselves to do their best every day. We want teammates who do the right thing and act with integrity even when no one is looking.

If that's you, we're glad you're here. Let's do some amazing things together. 👊

> 🗺️ Part 1 is our culture: who we are and how we work. Part 2 is the plain policies every team member needs to know.

🔥 OUR PURPOSE

💪 **WE BUILD PHYSICAL, MENTAL, AND EMOTIONAL STRENGTH.**

🥋 **WE TRANSFORM LIVES THROUGH MARTIAL ARTS.**

🌎 **WE ARE THE MOST POSITIVE COMMUNITY ON THE PLANET!**

WHAT WE STAND FOR — OUR CORE VALUES

Every three levels are built around one value. Master it, then carry it with you forever.

1. LEVELS 1-3:

HONORABLE

I tell the truth, keep my word, show up ready, and do the right thing when no one is watching.

2. LEVELS 4-6:

ICAN

Improvement: Constant and Neverending. I take feedback, fix it, and never stop getting better.

3. LEVELS 7-9 · AGES 13+:

MAGNETIC

I bring the energy, use people's names, and make everyone around me feel seen.

HONOR EARNS TRUST. ICAN MAKES YOU BETTER. MAGNETIC MAKES EVERYONE AROUND YOU BETTER.

OUR STANDARDS

🤝 TRUST

When you join our team, we give you a lot of trust and responsibility. We assume everyone will do the right thing, including you. Have people broken that trust before? Absolutely. We won't change our approach because of the few who let us down. We believe in your ability to do the right thing. You wouldn't be here otherwise.

🏆 QUALITY

We're known for high-quality martial arts and life-skills training for all ages. Every one of us builds quality into every class, interaction, and experience. That means being courteous, knowledgeable, and passionate. We want our members proud to be part of LVLUP Martial Arts and Go Ninja, and that only happens when we deliver.

💬 COMMUNICATION

We're an open book. Email, Slack, text, or talk to whoever can solve the problem fastest for the good of the whole team. You can talk with your manager, your manager's manager, or the CEO. You don't need permission.

📋 JOB DUTIES

It's your job to understand what's expected of you. You'll get a roles and responsibilities description when you're hired. If anything is unclear, ask. "No one told me" doesn't fly here. Everyone's #1 job is making this company a success. If you see a better way to do something, speak up, even if it's outside your area. We want to hear it.

🎯 GOALS AND FEEDBACK

Talk with your manager about your performance and goals informally, every day. Want feedback? Ask for it. Don't wait for your manager to start the conversation.

⏱️ RELIABILITY

Be the person your team can count on. Be here when you're scheduled, ready to go, and communicate early when something comes up. Traffic happens. Flat tires happen. But they don't happen every Monday during football season. (The specific attendance rules are in Part 2.)

🦺 SAFETY

Safety is a top priority. We want you to go home every day in the same condition you arrived (probably better, because you have an awesome job). We're also responsible for the safety of every student, parent, and guest in our schools. The safe decision is always the right decision.

🔒 PRIVACY

Member and staff information stays private. That includes names, emails, phone numbers, addresses, photos, video, and payment information. Never share member information except as allowed by law and by the company. Before sharing anything, inside or outside the company, make sure the person is authorized to have it and knows it's confidential. Share only what's needed to get the job done.

🎉 FUN

Have fun at work. Make friends, push yourself, try new things, and let your personality show. If you aren't having fun at some level, you'll hate coming here, and we don't want that. Work hard, love what you do, share in our wins, and have fun as you change lives.

🤦 DON'T DO STUPID STUFF

(Yes, we know what the title says.)

Stupid stuff takes energy away from our members and our mission. Depending on what happened, you may be coached and given another chance, or you may be let go. Some examples:

- ❌ Stealing or deliberately damaging company property
- ❌ Disclosing confidential information
- ❌ Harassing or bullying anyone
- ❌ Physically hurting someone or threatening violence
- Possessing illegal drugs
- ❌ Bringing explosives, firearms, or weapons (other than approved training equipment)
- ❌ Dating or becoming intimate with students or students' family members
- ❌ Using adult language in front of students
- ❌ Asking someone else to do something you aren't allowed to do

The list could go on. The most serious of these mean immediate termination. See Part 2, Section 15.

LVLUP MARTIAL ARTS GO NINJA

02

PART 2: TEAM POLICIES

The plain policies every team member needs to know.
Sections marked ⚖️ are legal and safety sections.

1. WHO THIS COVERS AND WHO TO ASK

This handbook covers every team member at LVLUP Martial Arts (Waunakee, East Madison, Verona, and DeForest through our MPK partnership) and Go Ninja.

AREA	APPROVALS AND MANAGEMENT
🔵 **LVLUP Martial Arts (all locations)**	Richelle Moh or Mike Moh
🔴 **Go Ninja**	Miranda Smith

In this handbook, "your manager" means the person above for your area. Your individual work agreement or engagement letter covers your role, pay, hours, and benefits. If this handbook and your work agreement differ on those items, your work agreement controls.

2. EMPLOYMENT BASICS ⚖️

At-will employment. Employment with LVLUP Martial Arts (Moh's Martial Arts LLC) and Go Ninja is at will. You or the company can end employment at any time, with or without cause or notice. Nothing in this handbook is a contract or a promise of employment for any length of time. Only a written agreement signed by Mike Moh can change at-will status.

Changes to this handbook. We may update these policies at any time. We'll share updates with you in writing.

Equal opportunity. We hire, pay, promote, schedule, and discipline based on ability and performance. We don't discriminate based on any characteristic protected by federal, Wisconsin, or local law, including race, color, religion, sex, pregnancy, sexual orientation, gender identity, national origin, ancestry, age, disability, genetic information, marital status, military or veteran status, and arrest or conviction record (as protected by law).

Accommodations. If you need an accommodation for a disability, pregnancy, or religious practice, talk to your manager. We'll work with you.

✋ 3. ANTI-HARASSMENT AND NO RETALIATION ⚖️

We don't tolerate harassment of any kind, by or toward team members, students, parents, or guests. That includes:

- ❌ Unwelcome sexual comments, advances, touching, jokes, images, or messages
- ❌ Slurs, jokes, or insults based on any protected characteristic
- ❌ Bullying, threats, or intimidation

> 📢 **How to report.** Tell your manager, or any of Mike Moh, Richelle Moh, or Miranda Smith. If the problem involves one of them, go to another person on that list. You never have to report to the person you're reporting about.

What happens next. We'll look into it promptly and keep it as confidential as we can. If harassment happened, we'll act, up to and including termination.

No retaliation. You'll never be punished for reporting in good faith or for helping with an investigation. Retaliation is itself a serious violation.

Nothing in this handbook stops you from talking about your pay, hours, or working conditions with coworkers or others, or from contacting a government agency.

🔍 4. BACKGROUND CHECKS ⚖️

> ✅ All staff complete a background check through ATA International, per ATA requirements.

5. CHILD SAFETY AND SAFEGUARDING ⚖️

Kids are the heart of what we do. Protecting them is everyone's job, every shift. 💙

👀 OPEN VIEW, ALWAYS.

- ✅ One-on-one time with a student (private lessons, extra help, check-ins) happens only in open view of other people. Never behind closed doors or out of sight.
- ✅ No one-on-one time with students outside of school programs.

💬 COMMUNICATION WITH MINORS.

- 🔹 Message a minor student only through their parent or guardian, or through the school's official account. No private texts, DMs, or personal social media messages with students under 18.

📸 PHOTOS AND SOCIAL MEDIA.

- ❌ Never post photos or video of students or staff on personal social media accounts.
- ✅ Staff may take student photos and video on personal phones only for LVLUP or Go Ninja social media posts. Post them through Buffer, our social media scheduling tool, then delete them from your device.

🚧 BOUNDARIES.

- ❌ No dating or romantic relationships with students or students' family members.
- ❌ No adult language in front of students.
- ✋ Physical contact is limited to what's needed for instruction, safety, and normal encouragement (high fives, fist bumps, correcting a stance).

🚨 REPORTING SUSPECTED ABUSE OR NEGLECT.

- 🗣️ If a child tells you they're being hurt, or you see signs of abuse or neglect, tell your manager right away, the same day.
- 📞 If a child is in immediate danger, call 911 first.
- 📝 Don't investigate on your own, and don't promise the child you'll keep it secret. Write down what you saw or heard, in the child's words if you can.

⚖️ Wisconsin law may require certain people to report directly to child protective services or police. Your manager will make sure the right report gets made. (To be reviewed by attorney/HR.)

⚠️ **A child-safety violation is grounds for immediate termination.**

⏰ 6. SCHEDULES, TIME CLOCK, AND ATTENDANCE

Kiosk and scheduler. Starting Saturday, November 1, 2026, our clock-in kiosk and scheduler at **staff.lvlupma.com** handle your schedule, clock-in and clock-out, time-off requests, and shift cover. Our member software is **GymDesk**.

⏱️ HOW TO CLOCK IN AND OUT (STARTING NOVEMBER 1).

1

🖥️

Open the kiosk at **staff.lvlupma.com/#clock**.

2

👆

Tap your name.

3

🔢

First time only: set your own 4-digit PIN.

4

✅

Enter your PIN, then tap **Clock In** when you arrive and **Clock Out** when you leave.

📍 **Your location is checked against the school automatically, so clock in once you're on site.**

🗓️ **Your schedule.** The same kiosk screen shows your shifts and the full team schedule for the week. Check it before you head out so you always know when you're on next.

Arrival. Follow the schedule set for you in the scheduler. Shifts usually start a few hours before classes so there's time to prepare. Be in uniform and ready to work at your start time, not walking in the door.

⚠️ **Clocking in.** Clock in and out for every shift, and only when you're in the building. Clocking in from your car, or for time you didn't work, is time theft.

Salaried staff. Your work agreement sets your weekly hours. Some weeks will run a little more or a little less. You're expected to fulfill those hours and keep your schedule current in staff.lvlupma.com.

⏳ HOURLY STAFF.

- ✅ Be on time for every shift.
- ⏰ **Late** means more than 5 minutes late to any shift.
- 📝 2 lates within 2 weeks = written warning.
- ❌ Lateness after that is cause for termination.
- 📲 If you're running late, contact your manager before your start time.

> 🚫 **No call / no show.** Missing a scheduled shift without contacting your manager is one strike: termination.

Getting cover. If you can't make a scheduled shift, request cover in staff.lvlupma.com and tell your manager right away.

Sick. If you're sick, stay home. Notify your manager as soon as possible, ideally before your start time, and try to find cover. 🤒

> 🧑‍💻 **DASHBOARD (INSTRUCTORS AND MANAGERS).**
>
> - 📬 **Student outreach:** On the Students page, check the Outreach box, pick the method (Loom, Email, Text, or Postcard), and add your initials. That student is logged automatically into your daily Stoplight Outreach task, so there's nothing separate to count.
> - ✏️ **Schedule and timesheet edits:** Tap any timesheet row to fix a whole week of clock times, or click a name to edit clock in/out.

🌴 7. TIME OFF

Requests. Submit time-off requests in staff.lvlupma.com at least 2 weeks in advance. There's no cap on consecutive days and there are no blackout dates, but every request needs your manager's approval. We can't approve every request, so plan ahead.

🏖️ PAID TIME OFF (PTO).

- 🔹 PTO is for salaried staff only. Your work agreement or engagement letter sets your PTO and your paid holidays.
- 🔹 Sick days come out of the same PTO bank as vacation. There's no separate sick bank.
- 🔸 Hourly staff do not receive paid time off.

Other leave. ⚖️ We follow the law on jury duty, voting, military, and family and medical leave. Talk to your manager if you need any of these.

💰 8. PAY AND BENEFITS

Payroll. Pay is by direct deposit every 2 weeks. Check your hours in staff.lvlupma.com and tell your manager right away if anything is wrong so it can be corrected.

Your pay. Your pay is set in your individual work agreement.

Hourly pay rules. ⚖️ Hourly staff are paid for all time worked, including required meetings and training. Overtime and breaks follow federal and Wisconsin law. Don't work off the clock, and never let anyone ask you to.

PRIVATE LESSON INCOME (LVLUP INSTRUCTORS)

Your share of private lesson income each month is based on the percentage of your monthly tasks you completed that month.

TASKS COMPLETED THAT MONTH	YOUR SHARE OF PRIVATE LESSON INCOME
🏆 75% or more	75%
💪 60% to 74%	60%
📉 59% or under	50%
⏱️ Averaged less than 30 hours/week that month (overrides the tiers above)	40%

PART-TIME INSTRUCTORS

🕐 Part-time LVLUP instructors (flat rate, no task tiers)	60%

⚠️ **Hours rule:** If you average less than 30 hours per week for the month, you receive 40% of your private lesson revenue for that month, regardless of task completion.

🕐 **Part-time instructors:** Part-time LVLUP instructors get a flat 60% of private lesson income. The task tiers and the hours rule above apply to full-time instructors.

Benefits. Depending on your work agreement, benefits may include:

- 🩺 **HEALTH INSURANCE**
- 🏦 **A RETIREMENT SAVINGS ACCOUNT**
- 🥋 **FREE MEMBERSHIP**
- 🏆 **SELECT TOURNAMENTS AND BELT TESTING COVERED**

Your work agreement spells out what you're eligible for.

9. MEETINGS AND TRAINING

📣 MONDAY 1PM

Monday 1pm staff meeting: mandatory for all full-time staff.

🥋 WEDNESDAY 1PM

Wednesday 1pm training: mandatory for all full-time instructors.

📲 Running late? Text the meeting leader.

10. UNIFORM, DRESS CODE, AND HYGIENE

We're a professional martial arts school. Look the part from the moment you walk in, especially if members are already in the building.

LVLUP COACHES (ANYONE HELPING IN ANY PART OF CLASS):

- Full LVLUP uniform: top, bottoms, and belt.
- Black belt coaches teach in their black belt. Underbelt coaches wear the coach's belt (black with orange stripe).
- **Summer uniform (May through September):** A current LVLUP shirt and the appropriate belt may be worn instead of the full uniform. LVLUP staff who aren't instructors may also wear LVLUP shorts.
- **No shorts for instructors:** LVLUP instructors may not wear shorts while teaching, even during summer uniform season (May through September).
- **Private lessons:** Wear LVLUP apparel or your LVLUP uniform while teaching private lessons.

LVLUP NON-COACHING STAFF:

LVLUP shirt or polo with athletic leggings, single-color shorts, dark jeans, khakis, or dress pants.

GO NINJA STAFF:

Always wear the red Go Ninja shirt, with black pants or black shorts, plus clean athletic shoes and socks. Contact Miranda Smith if you need another shirt. The only hoodie allowed is the red Go Ninja hoodie. Don't have one? We'll get you one free.

HATS:

No hats while teaching lessons or classes.

JEWELRY AND MAKEUP:

Fitness watches and necklaces only. No bulky necklaces, bracelets, or rings other than wedding bands. Keep makeup minimal and natural.

HYGIENE:

We work in close contact with people, so antiperspirant or deodorant is required. Go easy on scents. Wash your uniform and staff shirts regularly.

💇 **HAIR AND NAILS:**
Keep hair clean, groomed, and in a classic, easy-to-maintain style. Hair that falls in your face must be tied back while working. Avoid extreme styles or colors; if you're unsure, check with your manager before the change. Keep fingernails and toenails trimmed and clean, no more than 1/4 inch past the fingertip.

📱 11. PHONES AND DEVICES

📵 On shift, phones are for **work use only**: Slack, the scheduler, GymDesk, and approved school photos. No social media, personal texting, music, or scrolling. Keep your phone on silent. If there's a real emergency, let your manager or the front desk know.

📣 12. SOCIAL MEDIA

🔒 Protect confidential information.
💬 If you comment online about company business, say you work here and that the views are your own.
❌ Never post photos or video of students or staff on personal accounts.

🤝 13. WORKPLACE CONDUCT

🤐 **Gossip.** Gossip destroys trust and reputations. If you have a problem with someone, take it to them or to your manager, not to the team. Gossip is handled through coaching and discipline (Section 15).

Food, drinks, and gum. We're a health and fitness facility, so set the example.

❌ No gum during operating hours.
🍎 Eat before, between, or after classes, in designated areas, out of students' view. Be mindful of strong food smells.
☕ Drinks stay out of sight unless it's water or coffee in a covered cup.

🚭 SMOKING AND VAPING.

All our facilities are smoke- and vape-free.

🍺 DRUGS AND ALCOHOL. ⚖️

Never work under the influence of alcohol, cannabis, or drugs, and never have illegal drugs at work.

🚫 WEAPONS. ⚖️

No firearms, explosives, or weapons in our facilities, other than approved martial arts training equipment.

Clean and organized. 🧹 There's a home for everything. Put equipment and cleaning supplies away right after you use them. Downtime? Check the cleaning and safety checklist. The school isn't your bedroom or closet.

Outside jobs. You can work somewhere else as long as you keep doing great work here, don't share confidential information, and don't work for a competitor. If another job gets in the way of your work here, you may be asked to choose.

🏥 14. SAFETY, INJURIES, AND EMERGENCIES ⚖️

📝 INJURY AND INCIDENT REPORTING.

- 🗓️ Report every injury or incident (student, guest, or staff) to your manager the same day, even if it seems minor.
- 💻 Submit an incident report through the LVLUP staff dashboard (staff.lvlupma.com).
- 🩹 If you're hurt at work, report it right away so we can handle workers' compensation correctly.

🚑 SERIOUS INJURY (FAINTING, SEIZURE, SEVERE BROKEN BONE, CHOKING):

1. Have another staff member call 911 while you stay with the injured person. If you're alone, call 911 yourself and stay with them.
2. Give CPR or use the AED if needed and you're certified, until help arrives.
3. You're not a medical professional. Don't give medical advice.
4. Contact your manager right after you talk to 911.

🔥 **FIRE:**
Get everyone out, call 911, then contact your manager.

⚡ **OTHER EMERGENCIES**
(leak, power failure, anything dangerous): call 911 if needed, then call your manager. No answer? Leave a voicemail and contact Mike Moh, Richelle Moh, or Miranda Smith.

💬 **DAY-TO-DAY QUESTIONS:**
For member, account, or procedure questions, or personal requests like time off, text your manager. Expect a reply within one business day.

15. DISCIPLINE

We'd rather coach than discipline. When something isn't working, here's how it usually goes:

1. Coaching conversation. Your manager talks with you about what happened and what needs to change.

2. Written warning. If it continues, or the issue is more serious, you'll get a written warning that goes in your file.

3. Final warning or termination. If it still isn't fixed, you'll get a final warning or be let go.

Management can skip or repeat steps depending on what happened. Termination needs approval from Mike Moh or Richelle Moh (LVLUP) or Miranda Smith (Go Ninja).

⛔ **IMMEDIATE TERMINATION.**

These are serious enough to end employment the first time:

- ❌ Theft or deliberate damage to company property
- ❌ Harassment of anyone
- ❌ Violence or threats of violence
- ❌ Working under the influence of alcohol or drugs
- ❌ Any child-safety violation
- ❌ No call / no show

16. COMPANY CREDIT CARD AND EXPENSES

This applies to every team member issued a company credit card.

1. **Pre-approval.** 💵 Any purchase over $50 must be approved by Mike or Richelle before you buy. Include the total cost and the business purpose.
2. **Receipts.** 🧾 Submit all receipts, including those under $50, at the end of each week. Expenses are reconciled the first week of the following month.
3. **Travel.** 🚗 Carpool when you can. The card may be used only for gas on approved travel. Richelle or Mike books lodging and air travel. Confirm your travel is approved before you leave. Approved travel: in-region tournaments, 1 National Tournament, and the World Tournament (subject to change).
4. **Meals.** 🍽️ You'll get a per diem for meals during business travel: $50 for a full day, covering meals and incidentals. Receipts are still required, even when you're within the per diem.

These guidelines will be revisited as the business grows.

17. LEAVING THE TEAM ⚖️

✉️ **Resigning.** Please give your manager as much notice as you can.

🔑 **Return company property.** On your last day, return keys, cards, uniforms, equipment, and account access.

💵 **Final pay.** Your final paycheck will be paid as required by Wisconsin law.

18. TEAM MEMBERS UNDER 18 ⚖️

We follow Wisconsin and federal child labor laws for team members under 18, including work permits, hour limits, and breaks where they apply. Managers schedule minors accordingly. If you're under 18, tell your manager about any school or hour limits.
